## TECHNICAL EXPERIENCE AND PROJECTS

### City of Winnipeg – ANALYST INTERN

June 2025 – Present

- Added email notifications, excel downloads, and other features in a .net environment
- Constructed Power Automate workflows integrated with Jira and SharePoint

### Manitoba Skills Competition – WEB TECHNOLOGIES

April 2025

- Competed in an exclusive Manitoba-wide tech competition, rapidly learning Figma, PHP, and XAMPP beyond coursework.
- Showcased adaptability, problem-solving, and the ability to pick up new technologies quickly under pressure.

### MITT Future Now Expo Booth

<https://dave-sommerville.github.io/code-breaker/>

- Built and showcased interactive applications for Manitoba's Future Now Expo, engaging 40+ potential students.
- Gained experience in teamwork, rapid learning, and public-facing technical demonstrations.

### Blackjack Web Application

<https://dave-sommerville.github.io/blackjack/>

- Evolved a simple JavaScript console game into a fully animated, modular web application, emphasizing UI/UX design.
- Demonstrated growth in front-end engineering from concept to polished product, including extensive testing.

### Freelance Web Development

<https://cactus-theatre-co.ca>

- Delivered a promotional website for a Winnipeg Fringe Festival company, crafting final project from client collaboration.
- Currently building additional freelance projects, growing client communication and delivery skills.

### Potion Brewery Desktop App

<https://github.com/dave-sommerville/pixie-potion-brewery>

- Developed a complex WinForms simulation game with Entity Framework, SQLite, and a custom logic engine.
- Extended beyond requirements with features like random effect generators, sound effects, and queuing systems.

### Winnipeg Open-Source Project

<https://github.com/dave-sommerville/theForks.io>

- Founded and moderated a local open-source initiative to encourage collaboration among Winnipeg developers.
- Organized infrastructure, contributor guidelines, and outreach strategies to strengthen the local tech ecosystem.

## EDUCATION

### Manitoba Institute of Trades and Technology

Graduate 2025

Winnipeg, MB

Certificate of Software Development

## OTHER WORK EXPERIENCE

### CBI Health - TEAM LEADER

June 2022 – September 2024

- Operated household for three individuals in need of support, with a 50% decrease in behavioral issues in the first year
- Managed finances for the individuals and household successfully balancing records from two years previous.

### Fire & Flower Ltd. - GENERAL MANAGER

March 2021 - May 2022

- Led local outreach initiatives to lead to a 2.5% increase in sales over the next quarter
- Streamlined internal inventory procedures resulting in a 15% reduction in time

### Timberland Inn – NIGHT/BAR MANAGER AND COOK

June 2016 - February 2021

- Led the client-side launch of a mobile banking app with an 80% satisfaction rate
- Executed high-priority operations such as: Large-sum international EFTs, LLC account creation, phishing audits

**6 years Management - 8 years Sales/Hospitality - 9 years Administration**
